

FY2013 Tuition and Other Related Enrollment Fees
UM

Summary

In December, preliminary information about recommended changes to tuition and fees were presented to the Board. Since that time, the campuses have revised their recommendations in light of the proposed higher education budget. This page provides a summary of those recommendations. The rationale for the increases and details of the recommendations are provided on the following pages.

- Missouri resident undergraduate tuition and required fees, as defined by Senate Bill 389, are proposed to increase by an average of 6.5% or 3.5% above inflation as detailed in the table below.

- Undergraduate and graduate resident and nonresident tuition rates are proposed to increase as follows:

○	MU	7.5%
○	UMKC	3.0%
○	Missouri S&T	9.0%
○	UMSL	8.2%

- Professional School tuition rates are proposed to increase from 0% to 10% depending on the program.

- Supplemental fee rates are proposed to increase from 0% to 32.8% depending on the program. One new supplemental fee is proposed at UMKC.

- New tuition minimums and maximums are proposed for graduate eLearning and special delivery courses as prescribed in the collected rules change in action item 7.

FY2013 Tuition and Other Related Enrollment Fees
UM

At the December meeting, we provided information on activity, facility, and health service fees as proposed for FY2012. Formal recommendations for your approval were presented in action item 5. This document will provide detailed recommendations for tuition and other related enrollment fees.
